

GALERIE VON VERTES

Press release

The reinvention of the sculpture as a moving body by Alexander Calder and
Lucio Fontana's radical conception of space
Galerie von Vertes at TEFAF Maastricht

8th – 18th March 2018, booth 418

On the 31th edition of TEFAF Maastricht Galerie von Vertes presents a visual exciting selection of extraordinary paintings and sculptures by Albers, Calder, Dufy, Ernst, Fontana, Francis, Jawlensky, Klee, Kusama, Marini, Poliakoff, Richter, Soulages and Wesselmann. Its founder Laszlo von Vertes conceived the gallery as an international exhibition platform specialised Fauvism, German Expressionism, Surrealism, École de Paris, Pop Art and Contemporary art. Centrally located in the Bahnhofstrasse in Zürich the gallery hosts private and international collections, organizes exhibitions and gives lectures on art and art market related subjects. "With Galerie von Vertes I tried to create a democratic space for the exploration and understanding of the inexhaustible diversity of art and its makers".
